

THE GIFT OF THE FIRST MILLION

According to the request of a friend, I have prepared a Gift of the First Million for you. I did this specially, because no-one else can use this gift. To activate this fabulous Gift capable of bringing you your first millionaire win, all you need do is follow this ritual to the letter.

Take a sheet of blank paper, without any lines or squares, and write on it in words:

“one million dollars”

Fold up the sheet of paper and place it in an envelope. Put the envelope in a secret place until the next Thursday.

On this Thursday at precisely 11:00pm, light a green candle (the color of money) on a white saucer and place a small amount of honey around the candle. Then take

the envelope and stand the saucer on the envelope until the candle is completely burned out.

Then wash the saucer in spring water and throw the water into a garden as you recite this incantation:

“That Luck and Fortune should now follow me for every step. That is should be so”.

When you return home, place the envelope under your pillow until you pocket your first million.

Don't hesitate to write and tell me about your success!

I will always be by your side.
